

Hi Everyone,

Please plan to be at the rink approximately 60 minutes **PRIOR TO YOUR SCHEDULED WARM-UP TIME**, Hobbs Ice Rink, 915 Menominee Street, Eau Claire, WI, 54703 and check in at the registration table, located in the lobby. Tests will be run on both rinks.

This year I have more skaters than ever before for a test, **so if you have decided to not come, please email so I can give a skater on the waiting list a chance.** As many of you know from experience, these times are approximate. Our goal is to keep the schedule moving, while allowing each skater the time he/she needs to properly complete the test. We appreciate your patience and understanding. The schedule is very tight so we ask that you be ready to take the ice. We will post whether the test events are running on schedule and the approximate number of minutes off. We will not wait for absent skaters. Missed tests will not be refunded and would be allowed at the end of the day if there is time remaining.

Freestyle tests requiring music (preliminary and above). If you are joining us from a different club, please turn in your CD (must contain only one track and be recorded on CD-R media, no CD-RW's) at the registration table as soon as you arrive. Remember to bring a back-up copy of the CD.

You will be able to get your test result sheets at the registration table following the completion of your test. You may request copies of the test results at the registration desk. Please be sure to return the originals to the test coordinator or registration table prior to leaving the rink. **Remember-- the originals must stay with the club to avoid a possible retake as the scores need to be sent to the US Figure Skating.**

We will supply some limited food for skater and coaches, along with fruit and beverages.

Good luck with your test! Please contact me immediately if you have any questions or an insurmountable conflict with the schedule.

Carmen Manning, Test Co-Chair
